(v) Assistance to khadi and village industry (KVI) units to participate in exhibitions at the national, sub-national levels, etc., for improving marketing of products (for both khadi and village industries).

III. Coir

(i) Development of Production Infrastructure Scheme for coir production through supply of equipment and machinery at subsidised rates.

(ii) Research and Development Schemes.

(iii) Mahila Coir Yojana.

In addition, Government has approved implementation of the Scheme of Fun for Regeneration of Traditional Industries (SFURTI) for development of 100 clusters of khadi, village and coir industries over five years beginning 2005-06.

The units set up under the REGP as well as those in the khadi and coir sectors are, by and large, located in rural areas and small towns and mostly use local raw materials for value addition through processing.

(d) The Government (in the Ministry of Agro and Rural Industries) does not set up any rural industry of its own. However, eligible entrepreneurs in the country are encouraged to set up village industry units (including units for processing perishable agricultural produce like fruits and vegetables) under the REGP.
